

CALCIO

ILLUNALUCE

Calcio wall lamp illuminates your home spaces adapting perfectly to your style while keeping a minimalist design.

The opal plexiglass diffuser propagates light at 360 degrees, expressing a combination of functional and comfortable direct and indirect light.

The structure is in black plastic and the power supply is located inside. Wall mounting is provided through hidden screw holes integrated into the structure.

The lamp is available in 30cm and 60cm in both warm white / cool white versions.

The Calcio lamp is entirely produced in Italy.

It adapts perfectly to home interiors, but also offices, shops and public spaces. Thanks to LED technology, consumption is significantly reduced without changing the light output.
